HOW HAVE YOU BEEN BLESSED?

***Do you want to pass that blessing
on to others?***

During our lifetimes, most of us have received the blessing of assistance. Whether it was physical, financial, or spiritual, someone was there to build a bridge of safety for us. The bridge could have been a meal supplied during a tough time, a scholarship donation when you needed it most, or compassionate care in a medical facility.

During life's struggles, we were often reminded that more must be done to continue positive, humane acts of kindness and to further the programs and organizations that improve the lives of others. If you are like most of us, you donate only to those causes for which you have a particular passion.

So, we ask you:

- Are you passionate about Siesta Key Chapel?
- Do you look forward to worship and praise?
- Do you love being part of the Chapel's many programs and ministries?
- Do you look forward to the feeling of inner peace that comes over you every time you enter God's Tree house?
- Do the smiles and heartfelt greetings of friends and fellow members calm your inner being and instill you with the true meaning of fellowship?
- Do you want to ensure that future generations share these blessings?

It is said that the best use of life is to spend it for something that will outlast it. A planned gift to the Siesta Key Chapel Endowment Fund will leave your indelible mark on the Chapel and countless others. Christ calls us to be *salt and light* to the world. Your endowment gift to the Chapel is yet another way to provide for generations to come.

Your gift can be a living memorial in your name or in the name of your family or loved one. You can provide for their continued remembrance and, at the same time, share your faith.
